Dear Commissioner-General,

I have learnt about the case of women of **WOZA**, unreasonable arresting and ill-usage of its members.

I feel deep indignation about this case and the process of this case. I ask you for immediate action, in order to stop the ill-usage and assure the fair trial for the detainees. This ill-usage and arrests are in the conflict with the international human rights and law. These women have to be allowed to have a lawyer and basic health care.

Furthermore, I ask you to stop arresting of the WOZA activists for good.

Yours sincerely,
