Dear Mr. Governor,

I am writing to draw your attention to the case of Moses Akatugba from Ekpan. Only after being tortured, did he confess to an armed robbery which he had not committed. He was 16 years old at that time. After eight years in prison, he was sentenced to death.

With respect to the above-mentioned facts, I ask you to:

- Investigate the use of torture by your country's security forces;
- Mitigate Moses's punishment.

Thank you for your attention to this important matter, your help is greatly appreciated.

Sincerely,
