Dear Mr. Minister,

I am writing to draw your attention to the case of Paraskevi Kokoni from the village of Aitoliko. She and her nephew have been brutally assaulted by several men during a series of racist attacks against Roma people. So far, nobody has been justly punished.

With respect to the above-mentioned facts, I ask you to:

- Continue the trial and justly punish the perpetrators – with regard to the hateful motive of the attack;
- Compensate Ms. Kokoni for her injuries and her mental trauma.

Thank you for your attention to this important matter, your help is greatly appreciated.

Sincerely,
