Dear Attorney General,

I am writing to draw your attention to the case of Erkin Musayev. He was participating in the UN Development Programme in Uzbekistan and on his way to a conference he was arrested by the National Security Agency. Erkin has been given an unjust 20-year sentence for an alleged espionage. He pleaded guilty only after being tortured.

With respect to the above-mentioned facts, I ask you to:

- Investigate the torture Erkin Musayev suffered and put the culprits on trial;
- Immediately release Musayev and award him damages.

Thank you for your attention to this important matter, your help is greatly appreciated.

Sincerely,
