Dear General Procurator,

I am writing to draw your attention to the case of Oleg Sentsov, a Ukrainian film director. He was detained in May 2014 and transferred to Moscow after he openly criticized the Russian invasion of Crimea. Russian authorities have unjustly accused Sentsov of terrorism, torturing him in custody.

With respect to the above-mentioned facts, I ask you to provide:

- An independent investigation of the torture of Oleg Sentsov and his safe return to Crimea;
- Consular assistance to all foreigners detained in the Russian Federation.

Thank you for your attention to this important matter, your help is greatly appreciated.

Sincerely,
