Dear Chief of Police,

I am writing to draw your attention to the case of Jerry Corde who was arrested while visiting his aunt in the province of Pampanga. The police have repeatedly tortured him and it has been more than two years since he was imprisoned for allegedly murdering a police officer and other crimes he had not committed.

With respect to the above-mentioned facts, I ask you to:

- Investigate the torture Corde has suffered;
- Suspend the suspected police officers from duty (at least temporarily).

Thank you for your attention to this important matter, your help is greatly appreciated.

Sincerely,
