Dear Mr. President,

I am writing to draw your attention to the case of Daniel Quintero. Quintero was arrested for attending an anti-government protest in Maracaibo in February 2014. The National Guard repeatedly tortured the young man, threatening to kill him. He was later unjustly sentenced for drug possession and an assault on a policeman.

With respect to the above-mentioned facts, I ask you to:

- Investigate the torture of Daniel Quintero impartially and without bias;
- Provide protection against violence and intimidation for the victims, witnesses, and their families.

Thank you for your attention to this important matter, your help is greatly appreciated.

Sincerely,
