

BEHIND BARS FOR PROMOTING DEMOCRACY

FRED AND YVES DEMOCRATIC REPUBLIC OF CONGO

In DRC, activists Fred Bauma and Yves Makwambala have been labelled “terrorists” and accused of planning to violently overthrow the government. Their “crime”? Organizing an event which encouraged young people to hold the regime to account. If convicted, they could face the death penalty.

Enough is enough. Call on the Congolese authorities to drop these absurd charges and release Fred and Yves immediately.
