30 YEARS' JAIL AFTER SUFFERING A STILL-BIRTH

TEODORA DEL CARMEN VÁSQUEZ EL SALVADOR

WRITE FOR RIGHTS

AMNESTY INTERNATIONAL

Teodora suffered a still-birth in 2007, after the rapid onset of serious pain while she was at work. Police arrested her as she lay in a pool of blood. She was later sentenced to 30 years for "aggravated homicide", presumed guilty of "abortion" rather than the victim of pregnancy complication.
