

# STILL IN SOLITARY AFTER 43 YEARS

ALBERT WOODFOX USA

WRITE  
FOR  
RIGHTS

AMNESTY  
INTERNATIONAL

Of 43 years in prison, Albert Woodfox has spent 40 in solitary confinement for a murder he says he did not commit. Decades of isolation and deprivation have taken an appalling toll on his health. There was no physical evidence linking him to the crime and his conviction has been overturned three times, yet the authorities in Louisiana continue to block his release.

Justice is long overdue. Call on Louisiana's Attorney General to release Albert now.
