

TORTURED FOR 97 DAYS AND SENTENCED TO DEATH AT 17

SAMAN NASEEM IRAN

AMNESTY
INTERNATIONAL

Saman Naseem was tortured into confessing to shooting a soldier. He was just 17. On the strength of this “confession”, and in spite of the fact that Iran has signed up to an international ban on child executions, Saman was sentenced to death. Huge efforts secured Saman a retrial, and now global pressure can prevent a repeat.
