

SEIZED BY GOVERNMENT AGENTS – AND STILL MISSING

RANIA ALABBASI AND HER FAMILY SYRIA

**WRITE A LETTER
CHANGE A LIFE**

In 2013, government agents came to the home of Rania Alabbasi, a successful dentist and mother of six, and took her and her family away. No reason was given, and none of them has been heard of since.

**Ask Syria to release Rania’s children immediately and unconditionally.
Rania herself must be released or charged and given a fair trial.**
