

Dear Director

No 14. Dong Chang'an Jie, Dongchengqu
Beijing 100741
People's Republic of China

Dear Director,

we express our deep concern that the Luo Fuyu, Zhang Jinyong, as well as Zhang Baocheng, Zhao Changqing, Xu Caihong, Ma Xinli, Liang Taiping, Li Wei, Fu Hailu, Ma Qing and Luo Yaling have been penalised for their legitimate exercise of the right to freedom of expression, and urging you that all are immediately and unconditionally released from detention.

We urge you to ensure that while detained they are protected from torture and other ill-treatment, and have prompt access to any medical treatment on request or as needed, and to their lawyers and family.

Sincerely,
